

- ATTENTION -
If you already have a CERIS CAS user account you **DO NOT** need a separate Login for each system

1. Go to the CERIS system you are wanting to log into and establish your login credentials

For an **ALSTAR** Account- <https://alstar.ceris.purdue.edu/AlstarHome.php>

- Select "Login"

The screenshot shows the ALSTAR website header with the logo and text "ACCEPTED LABELS STATE TRACKING AND REPOSITORY". A "Subscribe" button is visible on the right. Below the header, there is a "Welcome to ALSTAR" section with a message and a "Login Help" link. To the right, an "Announcements" box contains a "Welcome to ALSTAR 3.0" message. At the bottom of the screenshot, a "Login" button is highlighted with a red box.

For a **NPIRS** account- <https://www.npirs.org>

The screenshot shows the NPIRS website header with the logo and text "NATIONAL PESTICIDE INFORMATION RETRIEVAL SYSTEM". A "Login Help" link is visible on the right. Below the header, there is a navigation menu with items like "Programs", "Searches", "Conferences", "Forms", "Resources", and "Contact". The main content area features four columns: "NPIRS PUBLIC" (PPIS/State Public), "NPIRS" (PDMS/Federal/State), "NSPIRS" (State/Federal), and "ALSTAR" (Company/State). Each column has "More..." and "Login" buttons. To the right, an "Announcements" box contains a message about the NPIRS Subscription site and a link to a "Feedback Survey". Below the announcements, there is a "Job Postings" section.
